

1. Hello.php

Hello, World! I am learning PHP.

2. Intro.php

My name is Shulabh. I am 20 years old and I study CSIT

3. Constants.php

Pokhara University

4. Operators.php

The numbers are 10 and 5

The sum is 15, difference is 15, product is 50, division is 2 and modulus is 0

12

10

20

10

0

Checking if the number 50 is between 1 and 100 and even:

Result: true
